

SIGN UP & GET INVOLVED

God is at work. God's Spirit is moving in a mighty way across the Prescott area. He has invited you and me to join Him in rescuing the lost and building up the believer.

God has certainly blessed us with one of the best venues in the city, by placing us in Yavapai College PAC to worship Him.

Worshiping each Sunday involves many elements of the service, which require people to serve as they are gifted.

Will you join us by loving others, building up the church and glorifying God?

We are joining Christ's eternal work! If you would like
