APPLICATION QUESTIONS

1. Team-building is a valued activity we often encounter in the corporate world. In terms of our Christian world, how did this experience affect your teamwork as a group?
2. Looking back on the experience of Mission: Possible, what have you learned about serving?
3. In what ways did God multiply your investment in His kingdom?
4. What impact did this experience have on you, your group, the community, God's economy?
5. Often outreach is the by-product of awareness. How has this experience increased your awareness of the needs in our community? And how may it have increased the community's awareness of God's local church called Cornerstone?
6. Think about non-Christians you know and with whom you come into contact. How might you better serve them in order to reach them for Christ?
7. One clear message in Jesus' parable in Matthew 25 was that the master had expectations for each servant according to his ability. What do you think Jesus, the Master, is expecting from *you*?
