The Elites...

BIG IDEA: Our faith is in _____, not our own.

PASSAGE: Galatians 2:11-21

4 Lessons from Paul:

1. Godly friends _____ us with _____.

2. Our new identity comes from _____.

3. Christ is now _____ within us.

4. Doing the right thing for the _____ is still wrong.

Next Steps:

1. Empower one or two people with the authority to rebuke you with grace.
2. Check your heart regarding your motivation for doing what is right.
3. Memorize Galatians 2:20 as a reminder of the Gospel and your new identity.

Discussion Questions:

- Who has authority to rebuke you with grace? When's the last time they did it?
- How do you struggle with labeling or categorizing other people? Why is that difficult for you?
- How are you doing with living from your new identity in Christ vs your old identity in your self-righteousness? What needs to change?
- In what area of your life is Jesus doing major renovation? How comfortable are you with what's He's doing?
- What is your primary motivation for your personal spiritual habits?
