

Look and Live
December 31, 2017
Pastor Josh McClintock

Numbers 21:4-9; John 3:14-15

Big Idea: Look to _____ and _____.

What are you looking at?

1. Looking at _____ eclipses our vision of _____.

2. Looking at _____ eclipses our vision of all _____.

Next steps:

1. Examine your life for _____.

Is there a circumstance or sin that is right now eclipsing your vision of God? Write it down.

2. _____ your way out of the grasp of that _____.

Spend time doing whatever it is that helps you fix your eyes on Jesus.

If you don't know where to start, listen to the worship playlist that will be shared on our Facebook page.

3. _____ in His Word this week.

Pick a text that speaks into your life and linger in it. Give your soul time to behold Him.

Suggested verses—1 Corinthians 1:18; 2 Corinthians 5:21; Galatians 3:13

Discussion Questions:

Discuss the Next Steps.

Did anything come about from doing these steps?

Were any of the steps difficult for you? If so, why?

What are some things that help you keep your eyes
“fixed on Jesus”?

Spend time sharing your story of when you “looked” to Jesus and placed your faith in Him. What was (or currently is) the hardest thing for you to overcome in order to trust him?

Read 2 Corinthians 4:16-18 and Hebrews 12:1-3. Discuss why is it important for us to keep looking to Jesus, even after we’ve placed our faith in Him.

Has there ever been a situation in your life that has left you feeling helpless and where you fully needed to depend on Him? Explain how that grew your faith.
