

Love People, Engage Your Circle
Sunday, August 5, 2018
Pastor Scott Savage

Changes...

Research about changes...

Big Idea: Nothing _____ our relationship with Jesus like knowing you played a _____ role in someone deciding to follow Jesus.

Passage: Matthew 28:16-20

3 Reminders for Great Commission Christians:

1. Jesus has all _____ and is _____ us.
2. We're commissioned to share _____.
3. Making disciples includes leading people to Jesus _____ helping them to grow.

Our Big Struggle:

Next Steps For Us:

1. _____ God and _____ the people who helped you discover Jesus.
2. _____ and _____ God for opportunities to help the people in your circle take their next step.
3. Be _____ because you're not _____ and you have _____.

“Based upon what I heard God saying to me today, I will _____.”

Discussion Questions:

- Do you agree with the statement “Every Christian has a responsibility to share their faith”? Why or why not?
- Before the message today, did you know what the Great Commission was? Could you have identified the Bible verses it comes from?
- When have you played a pivotal role in helping someone begin to follow Jesus?
- Which of the four reminders that Scott shared had the biggest impact with you?
- Who helped you discover Jesus for the first time?
- Who have you or are you going to invite to At the Movies? Spend time praying each day for that person(s). Pray with your community groups for those people by name.
- Who do you know that is close to you, but very far from God? How can this group support and encourage you as you engage them?
