- Share with your group how God has used this series in your life.
- If you feel comfortable, share a cobweb you identified and a spider you located during this series.
- If you feel comfortable and if you know the answer, share the season when your spider was born - when you made an agreement with a lie.
- When have you experienced the healing power of confession, like James 5:16 describes?
- Why is it important that we renounce and reject the lies we've made agreements with?
- What are some truths from Scripture which replace the lies you've agree to? If you don't know any, ask your group to help you identify 3-5 tonight during your group's gathering.
- Imagine what freedom would look like for you if you were able to kill this spider you've identified. Describe what you see to your group and pray for each other to experience victory in the power of Jesus' name.
