- In the Next Steps section, Pastor Scott shared three steps. Please share the way you responded to the first two steps.
- How do you see your life and the book of Ecclesiastes differently now that we are finished with this study?
- At the beginning of the message, we shared examples of good and bad advice with each other. What advice (good or bad) has shaped your life? Share how that advice has impacted you as well.

- In his message, Pastor Scott shared an illustration borrowed from Stephen Covey's teaching on time management, but he applied it to our life in relationship with God. How did God use that illustration to speak to you? Do you feel led to make any changes to your life as a result? If so, please share those with the group so we can pray for and encourage you in that work!
- In verse 11, Solomon describes the wisdom of God's word as a "goad", which moves or prompts us in the right direction. Share a time when God spoke through a passage of Scripture to goad you in a specific direction.
- At the end of the message, Pastor Scott challenged us to trust Jesus and take the next step. Where are you currently struggling to trust Jesus and what step could you take if you trusted in that area?
