Pastor Scott's Message:

Pastor Scott's Message:

## **Next Steps:**

1. Ask God to awaken the missionary within you.
2. Embrace the transformation God is trying to work in you.
3. Identify the circle of people God is calling you to engage.
4. Courageously invite people from that circle to *At the Movies*.

## **Prayer for At the Movies:**

Join us in praying for technology to work well, open hearts in guests, volunteers (Especially for First Impressions, Set up/Tear Down, Tech/AV), courageous invitations, spiritual warfare, salvations, transformed lives, and conversations in families and community groups after the services.

## **Discussion Questions:**

- What was your biggest takeaway from the Zambia Team's sharing?
- The team shared about the special relationships built. Who are those people you enjoy a unique bond with like the team described?
- Is there an area of your life or someone you know where "transformation" is an appropriate adjective? If so, please share that story with the group.
- How do you believe transformation takes place in our lives? On what do you base those beliefs?
- If we are all called to be on mission, sent by Jesus into the world, then what is your "mission field"? Who are the people God has put in your "circle" for supernatural and strategic purposes?
- Pastor Scott shared a challenge to expand our idea of what God is capable of doing in and through us. When has God expanded your view of power in the world? Share that story with the group.
- Read Luke 6:38, Matthew 7:7-11, Ephesians 3:20-21. How do these verses encourage us to look to God and expect Him to move in our lives in powerful ways?
- Who have you or are you inviting to *At the Movies*? Spend time sharing these names with your group and praying for them together.
