DISCUSSION QUESTIONS:

- ICEBREAKER: In what area of your life have you felt overloaded this year? (News, social media, video calls, conflict, isolation, etc.)
- Looking back at your notes from this week's teaching, was there anything you heard for the first time, caught your attention, challenged or confused you?
- Read Matthew 5:13-20. Which of the four qualities of Kingdom people that Pastor Scott explored stuck out to you the most? Why?
- Read 2 Corinthians 5:16-17, 1 Corinthians 1:26-29, and 1 Corinthians 6:9-11. Pastor Scott reminded us, in light of these verses, that "what God sees when He looks at you is different than what you see." In what area of your life does that mean the most? In what area is that hardest to believe?
- Pastor Scott shared about Kingdom people being both salt and light. Based upon his description of those two adjectives, what are your biggest struggles in being salt and light in your corner of the world today?
- What did you write in your blanks within Next Steps 1 and 2? How can we encourage or hold you accountable to live out what you wrote?
- Pastor Scott shared that "Jesus is about heart transformation, not behavior modification." In what area have you learned this year needs heart transformation, not just behavior modification?
- How can we as a group support you in intercessory prayer this week?
