Scott Savage - Lead Pastor

A movie made for 2020

BIG IDEA: If we're going to win the battle in our minds, we're going to have to fight _____.

3 Reasons Why We're Going to Have to Fight _____:

1. Being transformed into Christlikeness is _____ to being in Christian Community. (Romans 12:1-2, 9-18)

2. In order to develop a new mentality, we have to be constantly _____ of our new identity. (Colossians 3:1-3, 12-17)

3. When things go badly, we need each other to _____ our perspectives. (Philippians 1:12-21)

NEXT STEPS:

1. Identify someone you're going to ask for help today.
2. Share the true nature of your battle to renew your mind.
3. Say the last 2 percent.

DISCUSSION QUESTIONS:

-ICEBREAKER: If you had an opportunity to spend 30 days alone, would you take it? Where would you go?

-Looking back at your notes from this week's teaching, was there anything you heard for the first time, caught your attention, challenged or confused you?

-What part of this message did God use to speak to you personally?

-Larry Crabb said, "No lie is more often believed than we can know God without someone knowing us." What was your reaction to that quote when Pastor Scott shared it? Do you agree? Disagree? Why?

-Read Colossians 3:1-3. Pastor Scott taught us that "you" in this passage is actually "y'all". How does reading these verses directed at a group change your understanding of them?

-Pastor Scott said "we drift into isolation and loneliness; we fight for real friendships." Would you say you're drifting or fighting currently? How do you feel about that current state?

-Read Philippians 1:12-21. In what areas of your life do you have or not have the kind of Christ-Centered mindset Paul described? Who do you know who thinks like this?

-Pastor Scott shared about being in a pit. Who do you know who is in a pit like that? What can you do to show them empathy and point them to Jesus?

-Which of the next steps have you taken already? What did you learn or discover from taking those steps?

-How can this group support or encourage you as you apply this message?
